3 RD	3 RD	C** G

1. The goal is to play and hum the C scale.
2. You can start by plucking and humming the open strings G C E A.
3. When comfortable, pluck middle C – 3rd string open.
4. Next, D 3rd string, 2nd finger, 2nd fret.
5. E is open on the 2nd string.
6. F is 2nd string, 1st finger, 1st fret, and so on
7. Move your left finger a little until you have a good sound, look at your tuner.
