Country Roads - John Denver

Each chord symbol = 4 beats. SN=C

Almost heaven, West Virginia,
Blue Ridge Mountains, Shenandoah River.
Life is old there, older than the trees,
Younger than the mountains, growin' like a breeze.

- Chorus -

Country roads, take me home to the place I belong:
West Virginia, mountain momma, take me home country roads.
All my mem'ries gather 'round her,
Miner's lady, stranger to blue water.
Dark and dusty, painted on the sky,
Misty taste of moonshine, teardrop in my eye.

- Chorus -

I hear her voice, in the mornin' hour she calls me,
The radio reminds me of my home far away,
And drivin' down the road I get a feelin' that I should have been home
Yesterday, yesterday.

- Chorus -

Take me home, country roads, take me home, country roads.

Unicorn

The Irish Rovers

THE UNICORN

I didn't like the other tabs so here is something different to try.

CAPO on 3

A long time ago when the earth was green
There was more kinds of animals than you'd ever seen
They'd run around free while the world was being born
But the loveliest of them all was the unicorn

A Chorus:

There was green alligators and long necked geese
Some humpty backed camels and some chimpanzees
Some cats and rats and elephants, but sure as you're born
The loveliest of all was the unicorn.

INSTRUMENTAL: DAD

Now god seen some sinning and it gave him a pain
And he says, stand back, "I'm going to make it rain!"
He says, "Hey, brother Noah I'll tell you what to do,
Build me a floating zoo,"
"and take some of them...."
Green alligators and long necked geese,
Some humpty backed camels and some chimpanzees.
Some cats and rats and elephants, but sure as you're born.

Don't you forget my unicorn."

INSTRUMENTAL: DAD

Old Noah was there to answer the call,
He finished up making the ark just as the rain started pourin'
He marched in the animals two by two,
And he called out as they went through,
"Hey lord,"
I got your green alligators and long necked geese,
Some humpty backed camels and some chimpanzees,
Some cats and rats and elephants, but lord, I'm so forlorn,
I just can't see no unicorn!"

INSTRUMENTAL: DAD

Then Noah looked out through the driving rain,
Them unicorns were hiding, playing silly games.
Kicking and splashing while the rain was pourin'
Oh, them silly unicorns!"

There were green alligators and long necked geese,
Some humpty backed camels and some chimpanzees.
Noah cried, "Close the door cause the rain's pourin'
And we just can't wait for those unicorn!"

INSTRUMENTAL: DAD

The ark started moving, it drifted with the tides,
Them unicorns looked up from the rocks and they cried.

And the waters came down and sort of floated them
away,

And that's why ya never seen a unicorn to this very day.

You'll see green alligators and long necked geese,
Some humpty backed camels and some chimpanzees.

Csus2
Some cats and rats elephants, but sure as you're born,

You're never gonna see no u—ni—corn

LET IT BE ME

The Everly Brothers

This is a reworking of a French song recorded in 1955 by Gilbert Becaud called "Je T'Appartiens." The Everly Brothers version was one of the first pop songs to use a string section. 8 violins and a cello were used. It was also the first Everly Brothers song to ever use strings. Just before this became a hit, The Everly Brothers left their original label, Cadence Records, and signed with Warner Brothers for a \$100,000 bonus, which was huge at the time. This was the first Everly Brothers song they did not record in Nashville. It was done in New York. Three other versions have entered the US top-40: Betty Everett & Jerry Butler in 1964, Glen Campbell & Bobbie Gentry in 1969, and Willie Nelson in 1982. Bob Dylan recorded this on his 1970 album Self Portrait. Ron Cornelius, who played guitar on the album, was asked why Dylan recorded it. He replied: "No one would be being truthful with you to tell you what was ever in Bob Dylan's mind.... No Way."
